Hi Marston. It is Chris and Margaret Smith here. We organised the last reunion at Somerleyton Hall. Dave, who is now the main webmaster for this site, is our son. We have, for the last three years, been living in Spain. It is very nice there, warm, sunny and really nice people. Chris is back into UK for 8 weeks to get some hospital treatment, look up old friends and have a short break from the heat of Spain. Best Wishes to you and your family. C&M
